

 AMAWATERWAYS™
LEADING THE WAY IN RIVER CRUISING

Experience the difference.

At AmaWaterways, we love what we do – providing our guests with the best travel experiences possible. In fact, “Ama” is derived from the Latin word for “love.” It is a concept that permeates every aspect of our river cruises, from the design of our ships to the development of our itineraries to the high levels of service we deliver to our guests. It is a philosophy that drives our attention to detail, constant innovation and culture of always making our guests our top priority. It’s why the people that sail on our ships all have a story about why it was the best cruise they’ve ever taken.

Unparalleled Service

We pride ourselves on delivering the best in onboard service. We carry fewer guests on our ships so that there are more staff available to take care of their every need.

The Luxury of Space

With a maximum of 164 passengers on board, guests enjoy larger staterooms and more amenities. Public spaces, such as lounges and restaurants, are never overcrowded.

Award-Winning

From CruiseCritic.com's River Cruising Guide

CruiseCritic.com likened different river cruise lines to hotels and ocean cruises in their River Cruising Guide and drew the following conclusions:

Category	AmaWaterways	Viking River Cruises
Comparable to hotel	Four Seasons	J.W. Marriott
Comparable to ocean cruise line	Oceania Cruises	Holland America Line

Here are some excerpts from the article:

"AmaWaterways has a serious commitment to fine food and wine, and related enrichment opportunities, particularly through shore excursions. This would appeal to fans of Oceania Cruises"

"This line is best compared to Four Seasons. In style and substance, AmaWaterways offers a contemporary, upscale cruise experience, with service that is a hallmark."
